

BDA Individual Membership

The British Dragon Boat Racing Association (BDA) offers Individual Membership.

The Standard option for most paddlers will be **Adult** membership. We also offer discounted membership options for **full-time Students** and **Under 18s**. For **Coaches** you can also benefit from Professional Indemnity Insurance and for those who support a club/crew/team or wish to support the BDA there is the supporter option.

Everyone can be a **Registered User** by registering on our BDA Membership Platform and attaching themselves to their club free of charge, but if they wish to benefit they will need to purchase one of the below member types.

All membership options are for a rolling 12 month period. Our Insurance site has more details on the insurance.

See next page for the Membership Matrix
